In re Application :
Schuster, et al. : **OFFICE OF PETITIONS**
Application No. 10/596,207 : **PATENT TERM ADJUSTMENT**
Filing or 371(c) Date: August 21, 2007 :
Dkt. No.: ZGNX-112 :

This is in response to the "REQUEST UNDER 37 C.F.R. § 1.705(b) FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT," filed May 4, 2010.

Applicants submit that the correct patent term adjustment to be indicated on the patent is 174 days, not zero days as calculated by the Office as of the mailing of the initial determination of patent term adjustment.

The request for reconsideration of patent term adjustment is **GRANTED IN PART TO THE EXTENT INDICATED HEREIN.**

Review of the record confirms applicants' assertion that the application is entitled to an adjustment of 154 days pursuant to 37 CFR 1.702(a)(1) in connection with the mailing of the restriction requirement on March 24, 2009.

Further review of the record confirms applicants' assertion that the application is entitled to an additional adjustment of 20 days pursuant to 37 CFR 1.702(a)(2) in connection with the mailing of the Notice of Allowance on March 15, 2010.

While applicants assert that the patent term adjustment is not subject to any applicant delay, review of the record reveals that the adjustment is subject to a reduction of 50 days in connection with the reply filed August 21, 2007 in response to the Notice mailed April 2, 2007. The reduction commenced June 3, 2007, the day after the date that is three months after the date that the Notice was mailed, and ended August 21, 2007, the date that a reply to the Notice was filed.

In view thereof, as of the time of allowance, the application is entitled to a patent term adjustment of 124 days (174 days pursuant to 37 CFR 1.702(a) *less* 50 days pursuant to 37 CFR 1.704).

Applicants are further advised that the patent term adjustment indicated in the patent will include any additional patent term accrued pursuant to §§ 1.702(a)(4) and 1.702(b).

The Office acknowledges submission of the \$200.00 fee set forth in 37 CFR 1.18(e). No additional fees are required pursuant to 37 CFR 1.705(b).

The Office of Data Management has been advised of this decision. This application is being referred to the Office of Data Management for issuance of the patent.

Telephone inquiries specific to this decision should be directed to the undersigned at (571) 272-3205.
